# Introduction

## SAUDI MEDICAL BANDAGES CO. LTD. (SHASH)

- SHASH is a Saudi owned limited liability company established in year 1412h/1992 with a share capital of S.R. 15,000,000.
- Second to none in terms of weaving cotton yarn as raw material and converting it into finished products using advanced weaving & production machineries of high technology operating in environmentally clean areas.
- Located in Dammam's 2nd industrial estate on an area of 30,000 square meters consisting of 9 Units namely, Warping, Sizing, Weaving, Scouring, Bleaching & Drying, Make up, Sterilization, Quality control, Finished products store & Distribution in addition to related support service facilities.
- Annual production capacity reaches 40 Million square meters of medical gauze.
- The factory employs more than a hundred employees of different nationalities of which Saudi nationals represent a good percentage.
- SHASH has a developing role in advancing medical industries in the Kingdom through transfer of advanced technologies, job opportunities for nationals and a reduction of imports of medical gauze.
- Product Range:
  - X-Ray Detectable Swabs sterile/Non sterile
  - Gauze Roll
  - Laparotomy sponge sterile/Non sterile
  - Dressing packs
  - Others upon request
- SHASH products are distinguished by their high absorbency, wide range of sizes and our automated operations as per approved European standards.
- We have maintained a good customer base in the medical sector both Government & Private, and are recognized as one of the major suppliers of medical gauze by the Ministry of Health.
